BACKGROUND

Violeta was born and raised in Split, Croatia. She is an exceptional educational leader, who continuously demonstrates passion for education by seeking learning opportunities for herself, her colleagues and her students. Violeta worked for United Nations High Commissioner (UNHCR) oversees, she worked as an engineer and an educator in Canada. In educational field, Violeta started as a math, physics and the computer science teacher and with her strong leadership and people skills she fairly quickly moved into school administration. She has been a school administrator in K-12 educational setting for more than 10 years.

Violeta's love for learning and life is evident in her professional growth and her personal achievements.

Violeta is committed to be an outstanding educational leader and a role model to her peers and her students.

- Certificate in School Leadership – Harvard Business School Online, Boston, USA
 - Leading People
 - Leading Schools
 - Leading Change
- Transformative Educational Leadership Program (TELP) – University of British Columbia, Vancouver, BC

PERSONAL LIFE

Life work balance is extremely important to Violeta. She has two teenage boys (15 & 17), and they as a family love spending time together. As a family they love to travel, golf, paddleboard, and ski. Violeta spends a lot of time watching basketball since her both sons are very good basketball players. In 2017, her older son played basketball for the Canadian Team during the International Children Games in Israel. They all went to cheer him and the Canadian team. Her children attend Okanagan Mission Secondary School and play basketball for the school teams (Gr.10 and Gr.12). Her husband is a dentist and he has his own dental clinic. They love to travel and their favorite vocational destination is Ixtapa, Mexico and Split, Croatia.
