Name: Miller, Wanda Date of Birth: 24/02/2009 Grade: 11

This letter confirms that **Wanda Miller** was a full-time student in Central Okanagan Public Schools in **Grade 10** at **Mount Boucherie Secondary School** in West Kelowna, British Columbia, Canada from **September 1, 2025 until June 30, 2025** during the 2025-2026 school year. During this time, she was part of the district homestay program and resided at 110 Orchard Drive, Kelowna, BC, V1L 7J8.

As per the BC Ministry of Education and Child Care, Central Okanagan Public Schools runs secondary schools on a semester-based system with a two-semester model. The first semester is September to January, and the second semester is February to June. During the academic school year, secondary students typically enrolled in 4 courses per semester for a total of 8 courses per school year. This system is widely used in schools across British Columbia and Canada and is approved by the Ministry of Education and Child Care.

In the British Columbia education system, each year-long course has 120 hours of instruction and successful completion of the course earns 4 credits (30 hours = 1 credit). Secondary students have 80 minutes of instruction in each of their classes each day. However, in a semester system, students are given twice the hourly amount per subject per week, therefore, still completing the required 120 hours (4-credits) per course during a semester but in an accelerated manner. As such, the credits earned for a course still represent the work of an entire year-long course (10 months), even though the learning outcomes are achieved in half the time (5 months). Additionally, to receive full credit for a course, students must also meet the required learning outcomes for the course as identified in the BC Ministry of Education and Child Care curriculum.
