GEORGE PRINGLE SECONDARY

NEW SCHOOL

GEORGE PRINGLE SECONDARY

George Pringle Secondary School will offer various options for students to meet British Columbia graduation requirements while further developing knowledge and skills in a variety of subject areas.

This modern and sustainable facility will showcase incredible views, have easy access to public transportation, and provide an Indigenous cultural space.

Students will be able to explore various areas of interest at GPSS, which will feature an expansive musical and performing theatre, two indoor sports gymnasiums, and various other state of the art studios classrooms, and labs.
